ADDITIONAL INFORMATION

1. NOTES

1. The Seller considers all awarded work unclassified unless indicated in the Purchase Order and accompanied with the necessary DD-254.
2. Unless otherwise listed above, pricing does not include a Test Readiness Review (TRR) for this project. For more information or to have a TRR and associated costs included in your quotation, please contact your Account Manager or Applications Engineer.
3. Buyer shall supply all mating hardware, adapters, connectors, and support equipment, as required.
4. Buyer shall supply all equipment and personnel to monitor and operate the test article(s) for pre- test or post-test requirements. This includes, but is not limited to, functional testing, data acquisition, and operational tasks to be performed before, during, and after testing.
5. Buyer shall be responsible for modifications or repairs to the test article that are unrelated to testing or test setup.
6. The durations included are estimates only. Please inquire about schedule prior to purchase order placement to allow us to accommodate your request based on current capacity.
7. This price quoted is valid until the expiration date on the quotation. The Seller estimates that under current economic conditions, there will be an escalation factor of 5% - 10% per year.
8. All shipping costs will be the responsibility of the customer. Please provide a shipping method with an account number that allows for third party billing.
9. Standard operating hours are Monday – Friday 7am - 5pm.
10. Buyer shall be responsible for all FAA conformity documentation and DAR/DER coordination. Pricing assumes that each conformity inspection will take less than one hour and witness scheduling will not cause any test delays.
11. A CUI handling charge may be incurred if it is determined that Element U.S. Space & Defense is creating CUI data or a CUI test report during the process of testing
12. For all rental, material and fuel cost, additional funding may be required due to market pricing fluctuations at the time of purchase. Market prices will dictate the final price.
13. Please ensure that a copy of this quotation is included in the shipment of samples to the laboratory. Unless otherwise instructed, all samples will be returned upon the completion of testing and issuance of a final test report. All shipping costs will be the responsibility of the customer. Please provide a shipping method with an account number that allows for third party billing. If return shipping instructions are not provided, samples will be disposed of after 90 days.

The above prices are based upon the award of the entire program to Element U.S. Space & Defense. Any adjustments in the scope upward or downward will require a revision to the quotation. This quotation is valid until the date listed on the cover page of this document.

2. TERMS & CONDITIONS

Element U.S. Space & Defense General Terms and Conditions will apply to this agreement which can be found on our website [link below]:

<https://www.elementdefense.com/general-terms-conditions>

Any other terms and conditions are expressly excluded unless accepted by an officer of Element U.S. Space & Defense through a written confirmation. In no event shall Element U.S. Space & Defense be liable for any consequential, special or indirect loss or any damages above the cost of the work.

This document is the property of Element U.S. Space & Defense. All copyrights are reserved. The information delivered with this document shall not be disclosed outside Buyer, duplicated, altered, used, or disclosed in whole or in part for any purposes other than to evaluate the quotation, unless a contract in full is awarded to Element U.S. Space & Defense. These restrictions do not limit rights to use information if such data is obtained from another source without breach of these provisions and provided that Buyer claiming the right to use the information proves these facts.

Foreign visitors and visitors who are not employees of Element U.S. Space & Defense's direct customer must be approved at least five days in advance of their visit. Failure to obtain prior approval may result in significant delays or denials of the visit.

3. CERTIFICATIONS

For information regarding our Representations and Certifications, please visit the web address www.sam.gov and seek information under our Entity ID Number or CAGE Code as listed below:

FACILITY	CAGE CODE	SAM ENTITY ID#
Belcamp	1BJT8	VBFXNRMUYSK6

Our quality assurance program, in compliance with our ISO 17025 registration requires that contract requirements be documented and reviewed by Element U.S. Space & Defense before the commencement of a testing program. This is to ensure that testing is accurately completed in a timely manner.

4. PURCHASE ORDER ISSUANCE/ACCEPTANCE/PAYMENT

Upon receipt of your purchase order, which indicates your acceptance of this quotation, the only applicable terms and conditions are the Element U.S. Space & Defense General Terms and Conditions as outlined on our website.

The signature of an Authorized Representative of Buyer and a purchase order number entered on this quotation will serve to acknowledge and confirm Buyer's acceptance of this quotation, Element U.S. Space & Defense General Terms and Conditions, and the associated prices. Once this quotation is signed by Buyer, it shall serve as an interim contract until a formal purchase order has been issued to Element U.S. Space & Defense. Testing will not begin until a hard copy or digital (PDF) purchase order has been received.

Credit card payments are subject to processing fees. Reference Section 9c of our Terms and Conditions.

This quotation must be referenced on any/all purchase orders and correspondence. This quotation contains separately priced line items or milestones, and your purchase order must specifically permit individual line item or milestone billing. Quotation pricing is based upon such billings. Please forward all purchase orders as soon as available to:

Element U.S. Space & Defense
Email - Orders@elementdefense.com

5. ORDER PROCESSING & SHIPPING

To ensure faster order processing and project start, please include a copy of this quote with your part(s) shipment. Please ship your part(s), along with any support equipment (as outlined above) to:

Element U.S. Space & Defense
4603B Compass Point Road
Belcamp, MD 21017
Ref: OH000032344-0

6. CANCELLATIONS, DELAYS AND STANDBY

Please confirm the scheduled start date with your Element U.S. Space & Defense Project Manager. Once the schedule is confirmed, changes may result in a delay or cancellation charge. Cancellation and delay charges are determined based on the scope of the work completed and the remaining tests on the schedule.

Per Section 7 of our Terms and Conditions:

- Any cancellations or delays within 4 weeks of a scheduled test may be subjected to a charge of 100% of the price for that line item/service.
- Standby charges of a minimum of 100% of the line-item price shall apply if Buyer occupies test equipment, but is not performing testing.
- In the event of a delay or stoppage of work by the Buyer lasting more than 90 days for any reason beyond Seller's control, Seller reserves the right to re-quote the service prior to performing any additional work.

7. PROPERTY & MATERIAL RETURNS

Buyer shall provide to Element U.S. Space & Defense a listing of all property, and its value (in accordance with DFAR 211.274-3) of each item proposed to be furnished by Buyer where the total value of the shipment exceeds fifty-thousand US dollars (US\$50,000). If not so separately declared, Buyer agrees that the total value of shipment is less than fifty-thousand US dollars (US\$50,000).

Element U.S. Space & Defense may dispose of unclaimed customer property remaining on site (90) ninety days after issuance of final invoice. Storage fees for customer property unclaimed (30) thirty calendar days after issuance of the final invoice will be charged to the customer.

ABOUT US

The Space and Defense markets are core to our existence. We have a long, proud history supporting these industries and their missions over the last 60 years. Today, Element U.S. Space & Defense operates as an independent company under a proxy agreement that allows us to continue serving the U.S. Government and the Space & Defense industrial bases.
