For:	<i>Interns</i>
Topics Referenced:	<i>Sterling, Background, Drug Screening, and Education Verification</i>

Overview

Congratulations on your internship with Wolfspeed, we are so excited for you to start! All interns are required to complete a background check and a drug screen prior to their start date. You will soon be sent an email from noreply@sterling.app asking you to authorize a background check.

This background link will expire after 5 calendar days, so please do this as soon as you can so we can ensure all parts of your background check pass compliance before your start date. *If all components of your background check don't come through "cleared" in time, we will have to push your start date back.*
